

## DOES BLOCKCHAIN OFFER A NEW PARADIGM IN THE LEGAL WORLD?

### THIRD WEBINAR

“It’s all about the blockchain”, Don and Alex Tapscott say right at the start of their book *Blockchain Revolution*. Following our last webinar discussion on what legal technology does to the careers of lawyers in general, in this webinar we shall be exploring how the technology behind bitcoin may transform the legal world as we know it. What areas will be affected? Do we already see first signs of transformation in the world? What impact will blockchain have on the legal profession? What new opportunities may be created?

Share your ideas and learn about the latest developments in the field of legal technology and innovation by joining our Webinar:
